

## Funbridge, European leader of online bridge platforms, preferred partner of bridge federations.

After the **World Bridge Federation (WBF)** in February and the **European Bridge League (EBL)** in April, Funbridge announces the signing of a new partnership with the **Portuguese Bridge Federation (FPB)**.

The FPB is the eighth national federation joining the online bridge app. As is the case with other partner federations, FPB tournaments will be hosted on the platform. **Experience Points** will be awarded, allowing FPB members to improve their national ranking.

These tournaments will start on 24<sup>th</sup> June and will take place **every Sunday from 00:00 to 23:59 (UTC+1)**. The competition will be scored by Match Points.
